

To check/change your communication preferences: First log in to the website. Click on the “My Profile” page.

Under Account Options select Communications Preferences.

This will open a form with the preferences you entered when you registered your child. Make any changes or additions as needed. Be sure to click “Save” when you are finished.

The image shows a form titled "Contact Information". It contains the following fields and options:

- Stay informed.** Please provide us with your contact information. We will send important email and text messages about your event. Your primary email address will always be included, but you can also provide 2 mobile numbers to receive text messages.
- Email Address:** sales@engagesports.net
- Additional Email:** sales2@engagesports.net
- I agree to the [terms for email/text alerts & notification](#)
- Mobile Phone 1:** 314-555-1212, Alltel
- Mobile Phone 2:** ___-___-___, [select carrier]
- Save** button
